From: Edward J. O'Malley *EJO*  
Assistant Director, Intelligence Division  
Subject: CRYPTOGRAPHIC ACCESS REQUIREMENTS

Reference the IG/CM request for FBI comments regarding the proposals made by the National Security Agency (NSA) concerning reactivation of the Cryptographic Access Program.

The FBI fully supports the adoption of the proposal as set forth by NSA. This includes both the reinstitution of a Cryptographic Access Program and the addition of a limited polygraph consent requirement to this program.
